Pickleball Update

In April, the BOG voted to mandate the use of quiet paddles and quiet balls. Eight paddles outfitted with mufflers are available for use at the court. For those interested in purchasing your own paddles, the suggestion is the OWL paddle which has proven to be the quietest and is recommended by the US Pickleball Association.

All play (tennis, pickleball, and basketball) must be scheduled through SKEDDA. When making your reservation, you will be asked to agree to use quiet paddles and balls and maintain appropriate decorum while playing.

Nominating Committee

The BOG needs 2 individuals for the Nominating Committee. Please email [Paul Formica](#) as soon as possible if you are interested in participating on this committee.

Long-Term Planning Committee

Two association members have volunteered for this committee, but we are still in need of individuals to think about our association and the impact of climate change on the community in the future. Please email [Paul Formica](#) as soon as possible if you would like to be a part of this very important discussion.

Budget Committee

The Budget Committee is still in need of a chair. If you have expertise in this area, please consider stepping forward to fill this critical vacancy.
