## News

The PWC is taking on a unique fundraiser and we need your help! It's Spring Cleaning Time! We will be collecting your used sneakers, athletic shoes and cleats with rubber and/or plastic bottoms- no metal cleats. Adult, children and baby sneakers and cleats qualify for this program. PWC will earn money for each pair donated; the amount will depend on the condition and brand of the donations. ONLY sneakers, athletic shoes and qualified cleats will be accepted.

We will officially launch our collection efforts in April when the clubhouse re-opens but if you are cleaning out your closets and find sneakers that you no longer need, please put them aside for us instead of dropping them off at Goodwill or other places. If you absolutely need to get rid of them before that time, feel free to drop them off at Mary Ann Heenehan's house, 15 Ridgewood Road.

Why is this so important? Most people throw away their used sneakers every 125-200 days without ever thinking about recycling. Since sneakers are manufactured with materials that are not biodegradable, they remain in landfills or are incinerated, which leads to toxic chemicals in our air and soil. The process of manufacturing sneakers produces large amounts of CO2 which contributes to the serious effects of climate change and global warming. Recycling and reusing sneakers keeps sneakers out of landfills, reduces the need for manufacturing new shoes and sneakers, and supports a growing circular economy.

Please tell your friends and family members about this program; if you have any questions, contact Mary Ann Heenehan [heenehacnj@gmail.com](mailto:heenehacnj@gmail.com) or 609-658-5471.

Have a great week.
