Petition to the Board of Governors of the Giants Neck Beach Association Regarding the Installation of Nautical Pier and Rope Fencing Along Lake Shore Drive

The undersigned object to the installation of nautical post and rope fencing along Lake Shore Drive and elsewhere ( the "Project") without specific discussion and consideration by the members of Giants Neck Beach Association ( the "Association") of the demonstrated nature and scope of the Project and its effects upon the appearance of our community, and without consideration of alternatives to the Project, which may include the planting of native trees, shrubs and plants , consistent with the Association Charter, as a parking buffer.

Accordingly, the undersigned members of the Association acting pursuant to Article 1 Section 6 of the Association Bylaws request a meeting of the members of the Association to discuss and consider the Project, alternatives to the Project and the method for the approval or rejection by the Association of the Project or its alternatives.
