News

Quiet Paddles

At its meeting on 4/3, the BOG voted to mandate the use of quiet paddles to mitigate the sound on the courts. The BOG will purchase a small number of paddles and will conduct sound testing over the next few weeks to develop data around the issue. For information about quiet paddles, please

visit www.pickleballsound.com. This listing is updated on a regular basis as newly engineered equipment comes to market.

Volunteers Needed

The BOG is looking for volunteers who may have interest and perhaps expertise in the areas listed below. We will be looking into forming committees/discussion groups on the following:

- long-term planning (impact of climate change on our community)
- digitization of Association records

Please consider stepping forward for these important initiatives.

Contact Paul Formica to state your interest!

WIFI in the Clubhouse!

In the next week or so, wifi will be installed in the GNBA Clubhouse! In addition to the primary use for Association meetings, wifi will allow for social events like movie nights, Derby and Olympic parties and more!

PWC Note Cards

The PWC is exploring the possibility of holiday note cards this year. If anyone has holiday/winter scenes of Giants Neck Beach (i.e. the tree in the boat on the pond) , please send them to Mary Ann Heenehan at heenehacnj@gmail.com as soon as possible...no later than April 30 so that we have time to pick a photo(s) and have them printed for our sale in July.

Additionally, the 2024 standard note cards are in! If you can't wait for the sale in July, please contact Mary Ann Heenehan to purchase! (\$8 cards for \$15).

Special thanks to our 2024 photographers: Nancy Annibale, Helena Corona, Laurie Corona, Sandy Lafond, Craig Sculli, Kim Spano, Stacy Willett and Bill Wulf.

Have a great week.
