The [GNBA website](#) (link) and the [Official Giants Neck Beach Association Facebook Page](#) will continue to serve as information resources for ongoing information. If you have questions, please contact Mary Ann Heenehan (heenehacnj@gmail.com).

Special thanks to Phyllis Berger for a great suggestion to the Beach Committee!

Mike Heenehan, Beach Chair Committee, has connected with the East Lyme Giving Garden to work out a plan for composting our beach eel grass at the farm. The team at the Giving Garden is excited for the nutrient-rich material for their regenerative farming practices.

Details will be worked out so that we are ready to go with the first beach cleaning in the spring of 2024. We are happy to partner with ELGG to help our community and the environment!
