HOW TO USE "ZELLE" TO PAY PROPERTY TAXES OWED TO GIANTS NECK BEACH ASSOCIATION

Our goal is to modernize our GNBA Property Tax process by adding an electronic option for **"GNBA Property Tax** payment".

The electronic payment option uses **ZELLE**, a well-known, **no-fee**, secure banking app, that will allow you to send money directly from your savings or checking account to the Giants Neck Beach Association checking account. There are over 1000 banks that have the **ZELLE** app as part of their banking services. If your bank does not happen to have the **ZELLE app** at this time, you may also download the app from the "App Store" or "Google Play".
