

Pattagansett Women's Club

Dear Friends and Neighbors,

Welcome back to GNB! Another year of COVID ups and downs. Who would have guessed? I hope that you have all been healthy and continue to take precautions to keep you safe. The Board has been meeting regularly over the year to keep everyone connected. Thanks again, to our Social Chair, Vicki Piscatelli for organizing all our fun "secret" events.

If all goes well, we will enjoy a fun filled summer for PWC. We will kick off the season with a Welcome Coffee Hour on Saturday, June 4th at the Clubhouse. Watch your email for the invitation and be sure to RSVP so that we will have enough treats for everyone. The June General Membership meeting will once again be a dinner meeting. It is scheduled for Friday, June, 24th, at 6:00. Catering will be provided by Castello. The speaker will be from Safe Futures, a local domestic violence support agency that we have supported during the year.

The Cocktail Parties are scheduled for July 9 and Aug. 27. We still need volunteers to host and or help out with the parties. The board members will gladly help with and guide you through the process. We even have a manual (thanks Nancy A)!

We have scheduled a Food Drive to support Care and Share on July 2nd in the morning. At that time, we will also have a pop up sale of our GNBA gear. Stop by to check out our new items which include tumblers and the much-requested Onesies, as well as new tee shirts, sweat shirts and hats. Order forms will be available at the June Coffee Hour and General meeting. Bring your checkbook to be sure to get the items you want.

As the summer progresses, we will firm up plans for other activities including the return of luncheons.

Attached, you will find your dues notice for this summer. Please get that to Pandy by June 30th so that you can be included in the PWC directory.

Thank you to the members of the PWC Board for all of their hard work throughout the year and behind the scenes. What an amazing group of women!

Looking forward to seeing you all again.

Sincerely,

Robin Knowles
Robin Knowles, PWC President
